Tell Us Your Best Anecdotes About Seymour Arm

We are hoping to put together a book of anecdotes about Seymour Arm. We all have them and together they could make quite a fun book about our unique town. To do this we need everyone's participation. Please write out one to three anecdotes and give them to **Helena at 250-804-6018, dhelena7373@yahoo.com or to Dorothy at 778-785-2023, ggsgram@lincsat.com**. If you don't want to write, let us know. We will meet you with a tape recorder and get your stories on tape. Picture that augment your stories will be much appreciated and will be returned to you and everything you write or say will be edited and brought back to you for proof reading.

We'd like to have all **stories submitted by August 15th, if possible**. Writing something like this is best done while your thinking about it. Don't worry about the prose, just about the memory. Pass on the word to anyone you think might like to contribute. Here are a few suggestions: History, Boating, The Lake, Swimming. Community Events, Local Cubs or Organizations, The Road, The Cabin or Camp Site, Special Events and, dare I suggest, The Drug Raid.

Lets have some good fun with this!
